PRACTITIONER INTERVIEW

Student:_____ Date:_____

Name of practitioner interviewed:_____

How many years in practice?_____

Note: Interview a massage and bodywork practitioner who has been in practice a minimum of 5 years.
Ask your practitioner the following questions and record their answers using their own words.

1. Please describe for me in 30-60 seconds: "Who are you and what do you do?" :

2. Do you consider yourself successful?

3. What is your personal criteria of success? (How do you know you are successful?)

4. What are the three essential qualities necessary to be successful?

5. What are the most important four-five key skills and abilities (business and profession, **not** bodywork skills) needed to be successful in this profession?

6. What were the two hardest things you had to deal with (your barriers) in becoming successful and what did you do to resolve them?
